CONSENT AGENDA..... Mr. Pinter

Consent Agenda

To allow more time to focus on matters of importance, the Board of Supervisors are now using a “consent agenda” for the conduct of action items (matters to be voted on). Consent agenda items are routine and non-controversial, with documentation provided to the board that is adequate and sufficient for approval without inquiry or discussion.

Because the purpose of the consent agenda is to streamline the meeting, discussion of individual items is not appropriate. If an item is deemed important enough for discussion, a request should be made to move it to the regular agenda before a motion to accept the agenda is made. Any item on the consent agenda may be moved to the regular agenda upon request from any board member.

The proper procedure for acting on a consent agenda is for a formal motion to be made and seconded by members of the board.

1. Approval of the January 4, 2021 Meeting Minutes
2. Approval of the January 11, 2021 Meeting Minutes
